

TEAM CURE Foundation

The Team Cure Foundation, Inc. is a 501(c)(3) charitable organization whose mission is dedicated to helping families in our community who are navigating medical conditions or other hardship. We have a special passion for supporting families affected by breast cancer, both by raising awareness and by providing direct help when it's needed most.

One of the primary ways we build awareness and community support is through our youth club basketball program, which currently includes more than 30 teams. With the help of corporate sponsors, we aim to grow this program and make participation possible for every interested athlete.

We are seeking corporate sponsors to help cover the essential costs of club basketball, including tournament fees, uniforms, shoes, travel expenses, facility rentals, and insurance. Your support helps ensure we never have to turn away a player simply because they are unable to pay.

When someone in a family is facing a medical condition, the impact extends far beyond the individual. Rising healthcare costs, medications, transportation, and the overall cost of living can create unexpected financial and emotional strain. Team Cure exists to help bridge that gap and reduce the stress these challenges, including costs and time commitments, place on families.

Your tax-deductible donation will make an immediate difference for families in our community and surrounding areas. Sponsorships* of any level are deeply appreciated. If you would like to partner with us for a donation or sponsorship, please make checks payable to **Team Cure Foundation, Inc.**

To present your donation or for questions, contact **Mark Metzka** at **(330) 402-4900**.

Thank you so much for your support, and for helping Team Cure make a lasting impact.

Respectfully,

Mark Metzka, Founder & President

Team Cure Foundation: EIN 36-5159556
